Enter the month in a two-digit format (for example: January should appear as "01"; November should appear as "11"). Enter the year in a four-digit format (for example: 2009 should appear as "2009").
3. *Your name:* Print your full name as it appears on your Social Security card and your FAFSA. Enter last name, first name, middle initial.

8. *Spring school code:* Enter the school code for the school at which you are in attendance for spring 2009. Students graduating from high school in spring 2009 should write in the College Board high school code number for their high school. This is the same code used for sending SAT score information to the high school. Students who are in college for the spring 2009 school term should write in the federal code number of the college at which you are in attendance in spring 2009. Students who are not in college or high school for the spring 2009 school term should leave this section blank.

The results from the GED, SAT or ACT tests must be submitted in lieu of a GPA if:
 - You participated in a home schooling program or attended an unaccredited high school.
 - You attended a high school or college outside of the United States and are unable to have those grades converted to a 4.00 scale or your school did not grade in a manner that can be readily converted to a 4.00 scale.
 - Students who have been out of school for five years can choose to submit either test scores or their GPA.
 - Scores from the California High School Proficiency Examination (CHSPE) cannot be accepted in lieu of a high school GPA, but passing the CHSPE does meet the high school graduation requirement of the Entitlement Cal Grant program. Also, grade reports, transcripts, and other proficiency certificates **WILL NOT BE ACCEPTED.**
10. *Student signature:* By signing this form, you certify that you have read these instructions and that the information you provided is correct. It is illegal to report false or misleading information on this form and doing so may result in any Cal Grant award being revoked.

Once you have filled out the student information, take the form to your school and request that they verify your GPA. Be aware that if your school will be electronically submitting your GPA to the California Student Aid Commission, you do not need to submit this form. It is your responsibility to verify that the school will be submitting your GPA for you.
